*Timber-Lee Christian Center* is a year-round camp, conference and retreat center situated on over 600 acres in the heart of the kettle moraine area of southeastern Wisconsin. Timber-Lee is a place for youth, family, and adult retreats... a place where people come to know God.

*The primary purpose of Timber-Lee is: To present Jesus Christ as Savior and Lord*

The **CAR WASH!** is July 11<sup>th</sup> from 8:30am to 4pm. The only cost not covered in the tuition is transportation. All the children attending camp will travel in a chartered bus since the camp requires that everyone arrive together and because a bus is more safe and cost efficient than caravanning. Because of this we ask that all children going to camp participate in the car wash. The money raised will be put toward the cost of the chartered bus.
